

Serial No. 10/039,827

REMARKS

Claims 1-3 were rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over U.S. Patent No. 6,545,182 and U.S. Patent No. 6,313,172. Submitted herewith are terminal disclaimers disclaiming these Patents. Thus, this is believed to overcome the rejections.

In light of the terminal disclaimers filed herein, Applicants respectfully request that Examiner pass the claims to issue.

Please charge Deposit Account 01-0885 for the extension fees and any other fees due in this case.

Respectfully submitted,

/Brent A. Johnson/
